Re: Caritas 150 Pilgrimage – Thursday 28 March

Dear Families

The SACE Stage 2 Spiritualities, Religion and Meaning course for Year 11 students includes the study of *Community, Justice, and Diversity*. For their Connections task, students are required to create a pilgrimage with a social justice focus through the lens of our Josephite charism.

Students will participate in the *Caritas 150 Pilgrimage* on **Thursday 28 March**. This walk, developed during our 150-year celebrations, will allow students to reflect upon places of significance in the Caritas College story, to gain an understanding into our Josephite charism, and to understand how pilgrimages can be constructed. Students will write a reflection, including an evaluation of their created pilgrimage, considering how this could inspire and motivate others to act for justice in our world. Students will be assessed on their participation and contribution to the organisation of the pilgrimage.

Students will be required to meet at the Wharf behind the Woolworths carpark (next to the Oasis) by 8:45am and together will walk accompanied by Mrs Chloe Shanahan, Ms Toni Freer and other staff from the College. Students will return to school by recess time (10:35am). Students are required to bring their bags for the return to school, school hat, and may wear PE uniform.

If you require further information or have any queries, please contact your child's Religious Education teacher on 8648 9700.

Please complete the permission slip below and return to your child's Religious Education teacher by **Tuesday 26 March**.

Yours sincerely
