Re: Senior Citizen Club Visits
5 Chapel Street, Port Augusta

Dear Families

Continuing our relationship with the members of the Senior Citizen Club, students will visit on Tuesdays across Semester 2. During their visit students will be able to talk to new people, engage in some friendly games of lawn bowls and cards and share some of their learning experiences. These visits align to their development of the Social and Emotional Learning skill of social management. Supporting students in real world interactions to communicate effectively with different people.

Students will be walking to and from the club during our regular school day, therefore encouraged to wear PE uniform on scheduled visit day.
