Re: Years 3-12 SEQTA Engage

Dear Families

I am reaching out to update you on a recent enhancement to our systems. As part of the statewide initiative by Catholic Education South Australia, we have transitioned from ceSIS to CIVICA for our Student Information System. This upgrade has been implemented across all Catholic Schools in South Australia, reinforcing our commitment to improved security measures.

However, because of this upgrade, our connection to SEQTA Engage will temporarily be disrupted. **SEQTA Engage will be unavailable on Monday 22 April.** Unfortunately, as a result of the upgrade all users will have to recreate their usernames and passwords for SEQTA Engage. **A new SEQTA Engage Welcome Email will be sent to all Caritas users on Tuesday 23 April.** A SMS will be sent to alert families when this has occurred.

We understand that this may cause some inconvenience, and for that, we sincerely apologise. Your prompt action in recreating your SEQTA Engage account is highly appreciated.

For those who are new to Caritas, please note that all parents/caregivers will require a SEQTA Engage login to access crucial information about their students' learning progress. If you encounter any challenges or require assistance during this process, please feel free to contact the school. Your cooperation is invaluable, and we thank you for your understanding and prompt attention to this matter.

Yours sincerely

Lexie Morris
Acting Deputy Principal
