Re: Year 5/6 Semester 2 Mathematics

Dear Families

After careful consideration, the Year 5/6 classes will trial splitting the students into year levels for Mathematics for the remainder of this Semester. The classes will be split into one Year 5 class and two Year 6 classes. This change will allow teachers to tailor the maths curriculum to better address students' specific needs at an appropriate level. Students will engage in year-level specific learning, with a greater opportunity for deeper understanding of concepts through exploration and enrichment tasks.

Please refer to the table below for class split details.

Class	Year Level	Maths Teacher
5/6B	Year 5 Year 6	Miss Catherine Macks Miss Chelsey Caputo
5/6G	Year 5 Year 6 – boys Year 6 - girls	Miss Catherine Macks Miss Klarysa Wojtkowski Miss Chelsey Caputo
5/6W	Year 5 Year 6	Miss Catherine Macks Miss Klarysa Wojtkowski

We thank you for your ongoing support and commitment to your child's learning.

If you require further information or have any queries, please contact your child's home class teacher or school leadership.

Yours sincerely

Miss Chelsey Caputo
Year 5/6 teacher

Miss Klarysa Wojtkowski
Year 5/6 teacher

Mis Catherine Macks
Year 5/6 teacher

Mr Damian Smith
Principal
