Re: Prospective VET students for 2026

Dear Families

After attending the Post School Pathways camp and through work done in Exploring Identities and Futures (EIF), your young person has indicated a desire to undertake a VET course in 2026. Information about the course they have expressed interest in has already been sent home for your appraisal. A brief overview of those courses is listed below. For further information, please click on the following link to access the [VET Courses for School Students](#).

As VET is an elective pathway, the College will cover up to \$500 per student (course fee only). The remaining VET fees will be charged to families. Please note that prices are subject to change with funding allocation from the government. Prices below are exclusive of possible College rebate.

Courses may run on a weekly basis or week blocks.

Current courses on offer in Port Augusta

Course	*Course Fee	Additional Costs	Current Day/s
Cert II in Automotive Servicing Technology	\$280	PPE \$150	Week blocks
Cert II in Construction Pathways	\$260	Textbook \$100 + PPE \$150	Friday
Cert II in Electrotechnology	\$267	Textbook \$170 + PPE \$150	Week blocks
Cert II in Engineering Pathways	\$275	PPE \$300	Week blocks
Cert II Retail Cosmetics	\$303	Kit \$210 + shirt \$40	Friday
Cert II Salon Assistant	\$208	Kit \$380 + shirt \$40	Friday

**approx. course fee*

Current courses on offer Blended (mix of online & face to face – Thursday & Friday)

- Cert III in Early Childhood Education & Care with 160 hours of work placement (approx. \$400)

Courses which have not yet been confirmed for our region (more likely Whyalla than Port Augusta)

- Cert III in Individual Support Aging/Disability (approx. \$1500)
- Cert II Hospitality (approx. \$200)

If your young person has interest in the courses in Whyalla/Adelaide, it will be the family's responsibility to provide transport.

Please click [here](#) to complete a form by **Wednesday 28 May**, indicating area of interest and acknowledgement of transport if applicable.
