

3 June 2025

Dear Families

RE: UniSA STEM Girls Academy 2025

STEM Girls is the University of South Australia's program to encourage girls in Years 9-12 to continue the study of Science and Mathematics throughout their schooling and into university.

Your daughter has been invited to participate and expressed interest in attending through an online registration.

The program offers a range of opportunities such as:

- Enhancing your daughter's knowledge and understanding of STEM concepts
- Forming networks with like-minded peers
- Meeting and networking with women in STEM careers
- Providing career information, including opportunities for cadetships and scholarships to support a STEM career pathway.

The program involves the following dates across Week 8 and 10 of Term 2:

- **Tuesday 17 June, Wednesday 18 June & Tuesday 1 July** - UniSA Whyalla campus Creative Challenge (9:30am-2:30pm)
- **Wednesday 2 July** - STEM Girls On Campus at UniSA Whyalla campus

We will meet at school at 8:00am and return approximately 3:30pm on the dates listed above. Your daughter will be transported by private vehicle with a staff member. Please click [here](#) to complete permission slip by **Friday 6 June**.

Formal uniform is required to be worn, and the girls will need to pack their recess, lunch and water bottles.

This program is provided by UniSA at no cost to families or the school.

Further information is available on request by contacting the school.

I look forward to supporting your daughter through this fantastic opportunity.

Yours sincerely

Christine Kemp
SACE Chemistry, Science and Maths Teacher
UniSA STEM Ambassador
